

Powerpoint Slide talking points

Slide One

(Play video)

Slide Two

Would you like to inspire children with wisdom from the Bible and positive role models?

Launchpad - or you may know them as Bible in Schools - connects hundreds of state primary schools with volunteers from local churches across New Zealand to present fun, weekly, 30-minute lessons to tamariki.

Right now, Launchpad is looking for new volunteer presenters...

Launchpad provides the training, all you need is the ability to connect with children and an hour once a week before or during school hours.

Slide Three

So do you have a heart for encouraging children and seeing them become all they were made to be?

Fill out the [contact form](#) on Launchpad's [website](#) at Launchpad.kiwi and someone will be in touch.
